2. VIDEO ABOUT PATNAKART

Patnkart Agro Farms Pvt Ltd

Welcome to Patnkart Agro Farms, where innovation meets responsibility in revolutionizing agriculture. Our commitment extends beyond farming; we're dedicated to streamlining the agricultural supply chain and fostering sustainable livelihoods for farmers.

### Our Core Initiatives

#### 1. Kisan Connect Card Initiative

We take pride in our 'Kisan Connect Card' initiative, a transformative step towards connecting farmers directly to markets. This initiative ensures fair pricing and empowers farmers by eliminating intermediaries. Through this program, we aim to create a transparent and efficient supply chain, providing farmers with the recognition they deserve and securing sustainable livelihoods.

#### 2. Soil Health Card Implementation in Bihar

In collaboration with Primary Agricultural Credit Societies (PACS) in Bihar, we actively implement Soil Health Cards. This initiative is at the heart of our commitment to enhancing soil quality, promoting eco-friendly practices, and fostering agricultural sustainability in the region. We believe that healthy soil is the foundation for productive and sustainable agriculture, and our efforts reflect this conviction.

### Our Vision and Values

- Empowering Farmers: We envision a future where farmers have direct access to markets, ensuring fair pricing and a dignified livelihood. Our 'Kisan Connect Card' initiative is a testament to this vision.

- Sustainable Agriculture: Our commitment to sustainability goes beyond words. Implementing Soil Health Cards is a practical step towards eco-friendly farming practices, ensuring the longevity of agriculture in Bihar.

- Transparency and Fairness: We believe in transparency at every level of the supply chain. Through our initiatives, we aim to create an ecosystem where fairness prevails, benefitting both farmers and consumers.

### Join Us in Cultivating Change

Whether you're a farmer seeking fair opportunities, a partner in the supply chain, or someone passionate about sustainable agriculture, Patnkart Agro Farms welcomes you to join our mission. ## INCUBATOR

At Patnakart, we are proud to share our journey and the invaluable support we have received from SABOUR AGRI INCUBATORS (SABAGRIS), a visionary project under the RKVY-RAFTAAR Agri Business Incubators (R-ABI), sponsored by the Ministry of Agriculture and Farmers Welfare, GoI.

### Incubating Innovation

SABAGRIS played a pivotal role in incubating Patnakart, providing a nurturing environment for our agribusiness startup to flourish. The incubator's tailored approach for the agricultural sector allowed us to explore innovative ideas and solutions, shaping the foundation of Patnakart.

### Government Backing

The support from SABAGRIS comes with the strategic backing of the Government of India through the Ministry of Agriculture and Farmers Welfare. This not only boosted our confidence but also opened doors to additional resources and opportunities vital for our growth.

### Specialized Guidance

The expertise and guidance offered by SABAGRIS were instrumental in navigating the unique challenges of the agribusiness landscape. The incubator's network of mentors and industry experts provided us with insights that have been invaluable in steering Patnakart towards success.

### Access to Resources

Being part of SABAGRIS granted us access to a wealth of resources, including state-of-the-art facilities, research infrastructure, and a collaborative community of like-minded entrepreneurs. This support infrastructure significantly accelerated the development and implementation of our ideas.

### Community of Innovators

SABAGRIS not only incubated Patnakart but also connected us with a vibrant community of innovators in the agriculture sector. This collaborative environment fostered knowledge exchange and partnerships that have been crucial in expanding our impact.

## Recognition and Visibility

Through SABAGRIS, Patnakart gained recognition and visibility within the agribusiness ecosystem. The incubator's platforms and events provided us with opportunities to showcase our startup, attracting investors, collaborators, and potential customers.

## How SABOUR AGRI INCUBATORS Made a Difference

SABAGRIS has been more than an incubator; it has been a catalyst for Patnakart's growth. The support received has empowered us to overcome challenges, innovate, and contribute meaningfully to the agribusiness sector.

Join us in expressing gratitude to SABAGRIS for its unwavering support in shaping the success story of Patnakart.

Transforming agriculture, one innovation at a time - Patnakart, supported by SABOUR AGRI INCUBATORS (SABAGRIS).

## **SOIL HEALTH CARD**

Soil Health Card Implementation by Patnakart: Nurturing Bihar's Agricultural Future

At Patnakart, we are committed to advancing agriculture, and our Soil Health Card Implementation initiative stands as a testament to this commitment. Join us in revolutionizing farming practices across different Primary Agricultural Credit Societies (PACS) in Bihar.

#### Objective:

Our primary goal is to empower farmers with accurate and personalized information about their soil health. Through this initiative, we aim to enhance agricultural productivity, optimize resource utilization, and contribute to sustainable farming practices.

#### Implementation Process:

##### 1. Collaboration with PACS:

- We establish collaborative partnerships with PACS across Bihar to seamlessly implement the Soil Health Card initiative.
- Our team engages with local farmers and PACS representatives to ensure a comprehensive understanding of the program.

##### 2. Soil Sampling and Analysis:

- Rigorous soil sampling is conducted in collaboration with agricultural experts.
- Collected soil samples undergo detailed analysis to assess nutrient levels, pH, and other crucial parameters.

##### 3. Personalized Soil Health Cards:

- Farmers receive personalized Soil Health Cards based on the analysis results.
- These cards provide actionable insights, including nutrient recommendations, crop-specific guidance, and soil improvement strategies.

##### 4. Farmers' Workshops:

- Patnakart organizes workshops and training sessions for farmers to educate them on interpreting and implementing the recommendations from their Soil Health Cards.
- The focus is on promoting sustainable agricultural practices and maximizing yields.

#### Benefits for Farmers:

##### 1. Precision Farming:

- Farmers gain precise insights into their soil health, enabling them to make informed decisions about fertilizer application and crop selection.

## 2. Cost Optimization:

- By tailoring agricultural practices to specific soil conditions, farmers can optimize input costs and maximize returns.

## 3. Sustainable Agriculture:

- The initiative promotes sustainable farming practices, contributing to environmental conservation and long-term soil health.

## 4. Increased Productivity:

- Armed with accurate information, farmers can enhance crop yields and overall farm productivity.

### Get Involved:

- \*PACS Collaboration: If you represent a PACS in Bihar and are interested in implementing the Soil Health Card initiative, reach out to us for collaboration.

- Farmer Participation: Farmers, benefit from this initiative by actively participating. Visit your local PACS or contact us directly to inquire about the Soil Health Card program.

Together, let's cultivate a future where farmers are equipped with the knowledge to nurture their land sustainably. Patnakart's Soil Health Card Implementation is not just a program; it's a pathway to a more prosperous agricultural landscape in Bihar. Join us in sowing the seeds of change!

## **KISAN CONNECT CARD**

### Kisan Connect Card: Empowering Farmers Across Bihar

At Patnakart, we understand the pivotal role farmers play in the nation's prosperity. Introducing the Kisan Connect Card initiative – a comprehensive program designed to empower farmers across Bihar in the realms of training, agri inputs, finance, insurance, and beyond.

#### Overview:

The Kisan Connect Card is more than just a card; it's a key to a holistic support system that addresses various facets of a farmer's life, ensuring prosperity and resilience in agriculture.
